NEGROS ISLAND

The Scene of the Newest Trouble
In the Asiatic Colonies.

Aguinaldo Will Lead His Army
In a Decisive Fight This
Week.

New York, March 22.—A special
from Manila says:
Reports of fighting in the Island
of Negros, without any particulars,
have reached Manila.

The transport Indianapolis leaving
for Negros with one battalion of the
First California regiment under
Col. Duboise.

Upward of sixty Spanish refugee
planters have arrived at Iloilo and
state that a native tribe 20,000
strong, living on the Montecos river,
twenty miles south of Bacolad,
threaten to destroy the haciendas
and crops. They have a few fire-
arms, but are mostly equipped with
spears and bows.

The Spaniards requested arms
from Gen. Miller to defend them-
selves and their property.

There is no change in the situa-
tion here.

The wounded men are recovering.
According to a prisoner captured
by our troops, Aguinaldo announced
that he will personally conduct
the reserves at Malolos and march
into Manila within twenty days un-
less the Americans withdraw in the
meantime. The concentration of
rebel forces in the vicinity of Mala-
bon gives ground to the statement
of the prisoner.

Advices received from Cebu by a
coasting steamer say everything is
quiet there. The United States
transport Sherman from New York
on February 3 has arrived here.
One child, two sailors and two pri-
vates died on the voyage, and one
man was drowned in the Mediter-
ranean.

WINS TWO CASES.

L. and N. Favored by Appellate
Court Decisions.

Frankfort, Ky., March 22.—The
L. and N. Railroad Company won
in two cases in the Court of Ap-
peals this morning. The cases
were Marcia A. Clark's adminis-
trator, appealed from Mason
county, and James Potter against
the L. and N., appealed from
Laurel county.

In the first named case the ap-
pellant was injured by the explo-
sion of gasoline on a train running
from Maysville to Cynthiana. The
lower court found for the railroad
company.

In the second case Potter, an em-
ploye of the road, was injured in a
collision. The lower court gave a
peremptory instruction to find for
the company.

CYLINDER HEAD

Blew Out—Narrow Escape of the
Engineer.

The cylinder head of the engine
used to operate the Fairview Roller
Mills blew out last Saturday and
the engineer narrowly escaped be-
ing struck by the flying pieces of
iron. As it was no damage was
done, except to the engine. New
repairs had to be ordered, which
delayed operations for several days.

SHERMAN MUCH BETTER.

Quiet Rest in Santiago Harbor
Proved Beneficial.

Santiago De Cuba, March 22.—
Ex-Secretary of State Sherman
rested well last night, the quiet of
the ship in the harbor having had
a beneficial effect. The last bulle-
tin says that his temperature and
pulse are almost normal, but he is
still very weak.

John Winfree Better.

John Winfree, who is down with
a severe attack of lockjaw, is re-
ported to be gradually improving
the last day or two.

BUSY WEEK.

Much Business Dispatched In
Circuit Court.

Docket Cleared of Some Trouble-
some Cases and Getting
In Good Shape.

This has been a busy week in
the Circuit Court and a large num-
ber of cases have been passed up.
Something over half of the contin-
ued causes have already been dis-
posed of at the present term and
court will not adjourn for two weeks
yet.

In the case of Sherman Wallace,
col., against the L. & N. Railroad
Company for \$5,000 damages the
jury returned a verdict for plaintiff
for \$195. Wallace claimed that he
was permitted to ride on one of the
company's freight trains from Guth-
rie to the suburbs of this city, where
he was forcibly ejected by a
brakeman who knocked him off
with a lantern.

In the case of T. A. Greer against
J. W. Pritchett and others, the jury
found for the defendant, J. E. Croft,
and for plaintiff against J. W.
Pritchett for \$45. The petition as
to Mr. Croft was dismissed.

Mrs. A. E. Bush vs. John E.
Campbell, dismissed, settled.

Robt. L. Moore vs. Empire Coal
and Mining Company, dismissed,
settled.

Wm. Tandy was yesterday ex-
cused from further service as a ju-
ror and R. L. Boulware selected to
serve in his stead during the bal-
ance of the term.

Three commonwealth cases are
set for to-morrow.

A number of civil cases were
tried, but none of great interest to
the public.

The trial of the case of Sallie
Redd, col., against the L. & N., for
damages, was entered into yester-
day afternoon. She alleges that
through the carelessness of the
railroad company's employes her
foot was cut off by one of their
freight trains some time last year.

LAKELAND MUDDLE.

Sinking Fund Commissioners De-
cide to Keep Hands off in
the Row.

Frankfort, Ky., March 22.—The
row on between several of the com-
missioners of the Central Insane
Asylum at Lakeland and Steward
W. L. Hazelipp, of that institution,
over the reinsuring of the building
for a period of five years, has been
transferred here before Acting Gov-
ernor Worthington. Steward Haze-
lipp is here this morning consulting
with that official.

He has refused to accept the com-
panies and rates fixed by some of
the commissioners and has had the
old policies extended until the mat-
ter can be agreeably settled.

A meeting of the Sinking Fund
Commission was called to settle the
matter, but that body decided that
the matter was entirely in the
hands of the Governor. After the
close of the meeting Acting Gov-
ernor Worthington decided to postpone
the entire matter until Governor
Bradley returns, and notified the
Superintendent of the asylum of the
action taken.

PEACEMAKER SHOT.

Another Bloody Crime in Graves
County.

Mayfield, Ky., March 21.—At 2
o'clock this morning another mur-
der was added to the already long
list of this town. Thos. Stubble-
field, a well-known young man, re-
siding in the Cuba neighborhood,
was shot through the bowels by Joe
Hammonds, of Clarksville, Tenn.
Stubblefield is a nephew of Circuit
Judge J. E. Robbins.

The shooting occurred in the
Black Bottoms section of Mayfield,

and see if you can
find any that look nicer or more comfortable than those
encased in a pair of our \$3, 3.50 and 4.00 Shoes, in Tans,
Vici Kid Tans, Black Vici's, Patent Leather, all the diff-
erent styles toes and lasts.

When Tan Shoes were first introduced not one well
dressed man in one hundred could be found wearing
them. Now but few in a hundred wear any other kind.
Thus it is plain to be seen that fashions in men's appa-
rel do change, and often radically.

SALOONS CLOSE.

Russellville Dry as Result of Yes-
terday's Appellate Court De-
cision.

Russellville, Ky., March 22.—As
a result of the Court of Appeals' de-
cision, reversing Judge Goodnight's
decision on the liquor question for
this city, all the saloons here are
closed tight, and the town is drier
than it has been for eighteen
months. In reversing Judge Good-
night's decision the Court of Ap-
peals reversed itself.

Miss Greame Campbell and Annie
Starling, who spent the winter in
Texas, have returned home.

where many other atrocious acts
have been perpetrated. At 2
o'clock Hammonds and Berry An-
derson became involved in a quar-
rel over some insignificant matter.
Stubblefield, who was present, saw
that trouble was imminent. Ham-
monds flourished a pistol and Stub-
blefield begged him not to shoot.
At this interference Hammonds ut-
tered an oath, and pointing the pis-
tol at Stubblefield fired. The ball
entered his bowels and he fell fatally
wounded. He was carried to the
Hughes Hotel, where he lingered,
but there is little hope of his re-
covery.

Mrs. Milton Gant has returned to
her home in Owensboro.
